

CARBON CONSCIOUS NORTHWEST REGIONAL SOLID WASTE SYMPOSIUM 2025

Call for Presentations

2025 Northwest Regional Solid Waste Symposium (PNW)
Carbon Conscious - Redefining Waste for a Greener Tomorrow
Hilton Metrotown, Burnaby, BC
April 23-25, 2025

The SWANA Pacific Chapter (British Columbia & Yukon) is pleased to host the Northwest Regional Solid Waste Symposium on Wednesday, April 25 through Friday, April 27, 2025. This year's Symposium theme is *Carbon Conscious - Redefining Waste for a Greener Tomorrow*.

Please consider submitting an abstract and share your expertise on the following:

- PFAS and Other Challenging Materials
- AI in the Solid Waste Industry
- Construction & Demolition
- 11 Bins at the Curb - Multi-Unit Housing
- Organics & Anaerobic Digestion
- Waste Plastics
- Extended Producer Responsibility (EPR)
- Circular Economy and Reuse
- Consumption Based Emissions
- Environmental Disasters
- Waste to Energy
- End of Life Management of Renewable Waste
- Electric Waste Collection Vehicles

DEADLINE TO SUBMIT ABSTRACTS:

End of day **Friday,
December 13, 2024**

Please include the following in your submission:

- Presentation topic from the bulleted list at left;
- Presentation title (15 words or less);
- Presentation abstract (300 words or less), and;
- Contact information and a brief biography (200 words or less) for the presenter(s).

OTHER CONSIDERATIONS:

- Abstracts will be selected based on alignment with the listed topics and relevance to solid waste professionals
- Selected abstracts will be determined by January 31, 2025 and presenters notified via email
- Selected presenters will be eligible to register for the Northwest Regional Solid Waste Symposium at a reduced rate
- Student submissions are encouraged
- All presentations will be included in the symposium proceedings posted on the SWANA Pacific web page
